Amsterdam Zool. Soc. (In exchange).    No date mentioned.

172    *Cervis russa* (male)    (Died in the aviaries)

Anderssen ( Andersson. C.?)

No date mentioned.

490 Ursus arctos , Linn. (very young - in skin) From Scandinavia.

15.01.1850.

347 A Guco luscus (Linn) (Removed from 39) From Scandinavia.

Atkins.

00.03.1838. (later cat. 1848)

152 Antilope Cuvieri ? Ogilby Habitat Magadore. (Destroyed by order 20.06.1900)

(If this was, as Gray thinks a specimen of A Cuvieri, Ogilby- it would show horns long before attaining its present size).

Audubon, J.J. ( See Townsendi J.(12)K.)  
=====

00.06.1838.

573 Lepus ----- (Removed from 94) ("female") " From Mr Townsend by Audubon June 1838 " Lable by Ld.D.  
" Walla Walla C " (Olumbia) " River - Iris dark brown - female. August 20th 1836 -  
J (12) K Townsend\* label attached.

Bartlett A.D.

00.09.1846.

4     *Herpestes vitticollis* Benn.

08.05.1850.

127 A *Martes flavigula* (Boddaert) (Removed from 78) From Darjeeling.

574   *Leopardus* ----- ? (Removed from 5 ) From Darjeeling. (Skull No. 116)

No date mentioned.

Stuffed specimen Dec. 1854. (See Cuming B.)

420   *Canis alpinus* Pall. From the Altai Mountains (in skin) (Skull in coll No. 51)

---

Bates. S.J.

=====

No date mentioned.

180 Cervus (nemonvagus ?) ( female) From S.America (Destroyed 20.01.27. JH ?)

00.10.1836.

67 Hand - drink~~ing~~ monkey (later cat. Brachyurus ~~S~~atanas (Hoffm). From S.America.

92 Arctibeus ----- (later cat. A.perspicillatum) (in skin) From S.America

00.09.1843.

36a Coclogenyus sub-niger , F.Cuv. Habitat South America.

188D Cervus rufus , F.Cuv. (young male ) From Belize. (Destroyed by order Committee 00.06.1853).  
(Died in the aviaries 00.09.1843).

194a Didelphys derbianus, Waterh. (male). From the Belize River.

235 Cercolabes melanurus , Gray. From South America.

387 Sciurus ----- (S. Boothia, Gray (G.R.W.(W?) ) - in later cat) From Guatemala.

388 Sciurus ----- (S. Adalpei, Lens - in later cat.) From Acajult, coast of the Pacific.

388a Sciurus ----- (S. Adolpei, Lens  $\Theta$  in later cat.) From Acajult, coast of the Pacific.

Brandt.

00.00.1845.

114a *Mustela alpina* (Gebler). (removed from 46) (Skull 124) "*Mustela Altaica* female Iliucon. 1841.

(W.Notk. Pomaccobe ?) \* - on label attached.

116a *Mustela Sibirica*. Pall ((removed from 48) (skull 128 (3?)).

485 *Myogalea moschata* (Linn) From Kirgisen.

489 *Erinaceus auritus*, Pall. From Siberia.

Bridges. T.

No date mentioned.

- 27b *Hydrochoerus* *apybara*, Erxl (young - in skin) From Bolivia
- 75 *Callithrix* *entomorphaga* (D'Orb) (Skull in coll No.50) (adult in skin) From Bolivia.
- 76 *Callithrix* *Donacophila* (D'Orb? - later cat *Donacophilus*, D&Orb). (Skull in coll No. 101a).  
(in skin) From Bolivia.
- 77 *Nyctipithecus* *felinus* (Spix) (Skull in coll No.59) (in skin) From Bolivia.
- 150a *Dictyles* *Tajacu* (Linn) (very young & in skin) From S.America

- 188a *Cervus* *rufus*, F.Cuv. (in skin - young)
- 240 *Tamandua* *tetradactyla* (Linn) (in skin) (Skull No. 130) From Bolivia
- 240a *Tamandua* *tetradactyla* (Linn) (in skin) (Skull no. 130a) From Bolivia. (Later cat adds - From Bolivia  
(from Chile acc. to label) ]
- (244a *Dasybus* *tricinctus*, Linn ( in skin) "55" (Skull No..135) given in Exchange to Denny 18.12.1860)
- (245b *Dasybus* *minutus*, Desm. (in skin) from Bolivia (Skull No. 136b) Given in exchange to Denny 18.12.1860)
- 245c *Dasybus* *minutus*, Desm. From Bolivia (Skull No..136c)
- 249 *Dasyrocta* *azarae*, Licht. ( in skin) From Bolivia.
- 266 *Didelphys* *Azarae* (Temm) (adult female - in skin) From Bolivia.
- 266d *Didelphys* *Azarae* (Temm) (very young in skin) From Bolivia (Skull No. 76a)
- 279 *Lagidium* *Cuvieri* (Benn) (in skin) From Chili or Bolivia
- 279a *Lagidium* *Cuvieri* (Benn) (in skin) From Chile or Bolivia
- 280 *Lagidium* *pallipes*, Benn, (in skin) From Bolivia
- 289 *Ctenomys* *Boliviensis*, Waterh (in skin) pale variety From Bolivia
- 289c *Ctenomys* *Boliviensis*, Waterh. (in skin) pale variety From Bolivia
- 292 *Echimys* *brachyurus*, Rengg (in skin) From Bolivia (Destroyed 09.09.37. R.P.)
- 294 *Didelphys* ----- ? Waterh. (in skin) From Bolivia
- 295 (Holocheilus . O.T.)  
*Hesperomys* *Brasiliensis*, Waterh. (in skin) From Bolivia. (Destroyed 09.09.37. R.P.)
- 329a *Lepus* *Brasiliensis*, Linn (in skin) From Bolivia
- 329b *Lepus* *Brasiliensis*, Linn ( in skin very young) From Bolivia
- 369 *Octodon* *Bridgesii*, Waterh. (in skin) From Chile
- 369 a/b. *Octodon* *Bridgesii* Waterh. (in skin) From Chile.
- 370 *Vespertilio* (*V. lasiurus*) *noveboracensis* (Linn) - later cat) (in skin) From Quillota,  
province of Aconcagua.
- 371 *Mus* *Jarwinii* Waterh. (in skin) From Chile.

Bridges. I.No date mentioned.

- 371d *Mus arwini* Waterh. (in skin) From Chile. (later cat. From Bolivia)
- 379 *Sciurus Langsdorfii*, Brandt. (male - in skin)
- 379a *Sciurus Langsdorfii*, Brandt. (female ♀ in skin)
- 379b *Sciurus Langsdorfii*, Brandt. (white-bellied variety - in skin)
- 397 *Sciurus* ---- Gray ( S. see Proc. Zool. Soc., Gray - later catalogue (in skin) The white patch behind the ears distinguishes it from *astuans*.)
- 437 *Mus longipilis*, Waterh. [(*Hesperomys*) *xanthorinus*, Waterh. (O.T.)- in pencil] (in skin) From Chile.
- 437a *Mus longipilis* Waterh. (*Hesperomys longipilus* (O.T.) in pencil Waterh crossed out). (in skin)  
From Chile. (Destroyed 09.09.39. R.P.)
- 437b *Mus longipilis* Waterh. From Chile.
- 443 *Mus* ---- From Chile or Bolivia.
- 444 *Mus* ---- (later cat. *Mus darwini*. Waterh. same as 371) (in skin)
- 444a *Mus* ---- (later cat. *Mus Darwinii*, Waterh. same as 371.) (in skin)
- 480 *Scotophilus* ----- (in skin) From Bolivia

00.02.1844.

- 269 *Didelphys elegans* (Waterh.) From Chile.
- 286 *Habro* bennetti (Waterh.) From Chile
- 286a *Habro Bennettii* (Waterh) (in skin) From Chile
- 286b *Habro. Bennettii* (Waterh) (in skin ) From Chile. (Destroyed ,skin decomposed 08.03.06.H.D.F.)
- 288 *Habrocoma Cuvieri*, Waterh. From Chile.
- 290 *Ctenomys Brasiliensis*, Blainv. From Bolivia
- 385 *Mus longicaudatus* Bennet, From Chile.
- 385a *Mus langicaundatus* Bennet. From Chile.
- 414 *Mus Renggeri*. Waterh. From Valparaiso.

00.10.1844.

- 269a *Didelphys elegans* (Waterh.) (Removed from 80) From Chile (Skull No.78)
- 269b *Didelphys elegans* (Waterh) (Removed from 81) From Chile (Skull No. 78a)
- 545 *Canis Azardae*, Desm. (Removed from 149) Chile (Skull in coll. No. 54)
- 545a *Canis Azardae*, Desm. (Removed from No. 29) From Chile (Skull in coll. No. 54a)
- 547 *Lutra Chilensis*, Benn (Removed from No. 24 inventory) From Chile (Skull in coll.No. 56)
- 547a *Lutra Chilensis* Benn (Removed from No. 23. of inventory) From Chile (Skull in coll. No. 56a)  
(skull no. 56a present to Prof. Paterson. Liverpool University 31.05.1904)
- 558 *Canis Magellanicus* (Gray) (Removed from 28 ) From Chile. (Skull in coll. No.88)

Bridges. T.

00.10.1844.

558a \* *Canis Magellanicus* (Gray) (Removed from 32) From Chile "*Canis culpeus*, Molina" L.Frazer.  
(Skull in coll. no. 88a) \* There is a degree of uncertainty as to whether these labels belong to this or the following specimen T.J.(12)M

558b *Canis Magellanicus* (Gray) (tail very bushy) (removed from 34) (a damaged skin) (skull in coll. no. 88b) (558b presented to Prof. Paterson Liv. University 31.05.1904)

00.11.1844.

178 *Cervus* ears cropped (later cat *C. antisiensis*; D'Orb Tosudi --- p ----) female From Chile?  
The urine of this animal has the same strong unpleasant smell as the Brouckes - Thompson.  
This differs from *Virginianus* in having only one gland on hind legs and from the brocket in having one ----.

00.02.1845.

287a *Octodon degus* (Mol) (Yellow variety) From Chile.

287b *Octodon degus* (Mol) (Yellow variety) From Chile.

414a/b. *Mus Renggeri* . Waterh. From Valparaiso.

23.08.1846.

32b *Dasypus Peba*, Desm (Removed from 115) "59" (Skull No. 111a)

32c *Dasypus Peba*, Desm (Removed from 116) \* 58" (Skull no. 111b)

32d *Dasypus Peba*, Desm. (Removed from 112) "60" (skull no. 111c.)

33 *Dasypus Encoubert* ?, Desm. (Removed from 117) "17"

244b *Dasypus tricinatus*, Linn. (Removed from 120) "55"

24.09.1846.

103 *Cyanopterus* ---- (in later cat. *Carollia Boliviensis* Gray n. sp.) (in skin) From Bolivia

476 *Molossus Perotis* (P.mar) (in skin) From Bolivia.

476a *Molossus Perotis* (P.mar) (in skin) From Bolivia.

477 *Dysopes velox* ? Temm. (in skin) From Bolivia.

00.02.1847.

178 *Cervus* -- ears cropped (in later cat. *C. antisiensis*. D'Orb)

17.12.1847.

112a *Nasua narica* (Linn) (in skin) From Bolivia (A record of this no. and letter but with<sup>no</sup> particulars attached - this should be 112e - see rough cat.)

112b *Nasua narica* (Linn) (in skin) From Bolivia.

112c *Nasua narica* (Linn) (in skin) From Bolivia (skull No. 96) in exchange (original says presented - amended) to Prof. Paterson, Liv. Univ. 31.05.04.)

112d *Nasua narica* (Linn) (in skin) From Bolivia.

175 *Cervus campestris* (male with only one horn - in skin) From Chile.

175a *Cervus campestris* (Female) From Chile.

241b *Bradypus tridactylus* (Linn) (young in skin) From Bolivia (skull no. 129B) The labels (whence obtained) on these animals appear to have been transferred before they came under my care . T.J. (12) M.

244 *Dasypus tricinatus* Linn (in skin) From Bolivia.

Bridges. T.17.12.1847.

- 263 Didelphys lucia (Natt) (in skin) From Bolivia (Skull no. 79)  
 263a Didelphys lucia (Natt) (in skin) From Bolivia (Skull no. 79a)  
 285 Cavia Boliviensis. Waterh. (in skin) From Bolivia.  
 285a-d Cavia Boliviensis. Waterh. (in skin) From Bolivia.  
 285e Cavia Boliviensis Waterh. (in skin) From Bolivia ( 5 specimens)  
 285f Cavia Boliviensis. Waterh. (in skin - immature) From Bolivia.  
 289a Ctenoinis Boliviensis, Waterh. (in skin) From Santa Cruz. de la Sierra, Bolivia.  
 289B Ctenoinis Boliviensis, Waterh. (in skin) From Bolivia.  
 290a Ctenomys Brasiliensis. Blainv (in skin) From Bolivia.  
 290b Ctenomys Brasiliensis, Blainv (in skin) From Bolivia.  
 329 Lepus Brasiliensis, Linn. (in skin) From Bolivia.  
 329c Lepus Brasiliensis, Linn (very young - in skin) From Bolivia  
 379c Sciubus Langsdorfii, Brandt.  
 379d Sciubus Langsdorfii, Brandt. (skull no. 97) (Destroyed by order of Director 20.06.1900)

00.07.1848.

- 414c Mus Renggeri, Waterh. (see . 00.08.1848)

00.08.1848.

- 368 Schizodon fuscus. Waterh. (in skin) From Bolivia.  
 371a Mus Darwinii, Waterh. (in skin) From Chile.  
 371b Mus Darwinii, Waterh. (pale variety - in skin) From Chile.  
 371c Mus Darwinii, Waterh. (pale variety - in skin ) From Chile - 2 of this number.  
 414c Mus Renggeri, Waterh. (in skin) ( N.B. in earlier cat. 00.07.1848)

19.07.1850.

- 75b Callithrix entomophaga (D'Orb) (in skin) From Bolivia.  
 76 c/d Callithrix donacophilla (D'Orb) ( in later cat. donacophulus, D'Orb) (in skin) From Bolivia.  
 492. Procyon cancrivorus, Ill, (in skin )(From Bolivia. Skull in coll. No. 92)(destroyed as useless March 1928 Joc)  
 (The above is the last number catalogued by Frazer at the Mammalia (?- 49 says ditto)  
 549 Canis fulvipes ? Martin (Removed from 31) From Bolivia (Skull no.90) (This differs somewhat from the fig. in Voy. Beagle. strictly in the tailbeing more bushy at the base than there represented - and wanting the white margin to the upper lip)  
 568 Didelphis canerivora., Gmelin (male) (Removed from 83) (skull in coll.no.75.)

Bridges.t. (see Bruzon)00.07.1848.

- 97a Vespertilio (lasiurus) rufus, Gray (in skin ) From S. Mexico.

Bridges. T. (See Cuming H.)00.02.1845.

- 13 Gallictis vittata , Bell. From Chile.  
 13a Gallictis vittata , Bell (male ) From Chile.  
 24 Felis pajeros, Desm. From Chile.  
 93 Endostoma D'Orbigny. Waterh. (in skin) From Chile.  
 246a Myopotamus coypus (Mol) (very young) From Chile.

Bridges, T. (see Cuming, H.)

04.02.1845.

438 Mus ----- (in later cat. *Mus rattus*, Linn (GRN(W?)) (male) From Chile. (Cumings on label B.F. 1959<sup>th</sup> - earlier cat)

438a Mus ----- (in later cat. *Mus rattus*, Linn (GRN (W.?) female From Chile.

24.09.1846.

103a *Cyanopterus* ----- (In later cat. *Carollia boliviensis*, Gray n.sp) (in skin) From Bolivia.

459 *Mus longitarsis*, Rengger (GRWM (N?)) [ (*Hesperomys*) *longicaudatus* (O.T.) ] (in skin) From Bolivia.

459a *Mus longitarsis*, Rengger (GRW (N?)) [ (*Hesperomys*) *longicaudatus* (O.T.) ] (In skin) From Bolivia.

477 *Dysopes velox* ? Temm. (In skin) From Bolivia.

481 *Noctilio* ----- (in later cat *Noctilio* n. sp) (in skin) From Bolivia.

17.12.1847.

16b *Lagostomus trichodactylus*, Brookes. (male in skin) From Chile.

16c *Lagostomus trichodactylus*, Brookes. (female in skin) From Chile.

22b *Dolichotus patachonica*, Shaw. (in skin) From Chile.

22c *Dolichotus patachonica*, Shaw (adult in skin) From Bolivia.

22d *Dolichotus patachonica*, Shaw (immature, in skin) From Bolivia.

24a *Felis pajeros*, Desm (in skin) From Chile (Skull in coll. no. 113) } first cat.

24b *Felis pajeros*, Desm. (in skin) From Chile } states 1848.
